HORIZONTAL BUMPER RACK

(Part 3163)

- Holds eight Olympic bumper plates.
- Portable via wheels and rubber grip handle.
- Available with wider spacing as 3163-W.
- Available only in our chip-resistant Silver Vein finish.

The Horizontal Bumper Rack is a portable solution for your plate storage needs. It holds eight 45-pound bumper plates in place. Thanks to wheels and a handle, it is easily moved from station to station, or just out of the way.

Also available with wider spacing as model 3163-W.

The Horizontal Bumper Rack is only available in our chip-resistant Silver Vein finish. Standard color choices are not available on this item.
