

LEGEND FITNESS®

MULTI-PURPOSE BENCH

(Part 3104)

- **Seat back angle is 15 degrees from vertical.**
- **Diamond plate foot rest.**
- **Bench Transport option available.**

Expect nothing but the best from the Multi-Purpose Bench. A necessity for dumbbell work and for working out with our Smith Machine. The diamondplate footplate keeps you securely positioned and the slightly angled back pad provides optimum support. The most brutal workouts are no match for an all-welded construction and rigid frame. Add the 3205 Bench Transport Option for easy transport!
